## STATEMENT OF OBJECTS AND REASONS

The Coal Mines Labour Welfare Fund Act, 1947 was enacted in the year 1947 when the coal mines were almost entirely in the private sector. It principally provides for the levy and collection of a duty of excise as a cess, on all despatches of coal and coke and for utilising the proceeds of the cess for the welfare of the labour employed in the coal mining industry by providing housing, water supply, medical, educational, recreational and transport facilities. The proceeds of the cess constituted a Fund called the Coal Mines Labour Housing and General Welfare Fund which is apportioned under two separate accounts, namely, the housing account and the general welfare account. The Act also provide for the constitution of a Coal Mines Labour Housing Board to prepare and carry out schemes financed from the housing account and other works to be financed from the general welfare account of the Fund.

2. Raising funds through a cess for various measures of labour welfare under the Act was conceived when the coal mines were in the private sector and the private sector did not attach much importance to the welfare of miners.

3. With the nationalisation of the coal industry in 1973, the context has materially changed and the coal companies in the public sector have assumed responsibility for looking after the welfare of their employees. It is, therefore, proposed to repeal the Coal Mines Labour Welfare Fund Act, 1947 and thereby to abolish the levy of cess under the Act. Consequent on such repeal, it is also proposed to dissolve the Housing Board established under section 6 of that Act. On such dissolution of the Housing Board, it is also proposed to vest all the assets, rights, liabilities, obligations, etc., of the Housing Board in the Central Government and further to empower the Central Government to vest such assets, rights, liabilities, obligations, etc., in a Government company.

4. The Bill seeks to achieve the above objects.

Provided that no such approval of the Central Government shall be necessary where such irrecoverable amount or loss does not exceed in any individual case and in the aggregate in any year such amounts as may be prescribed.”.

Amend-  
ment of  
section 49.

**4.** In section 49 of the principal Act, in sub-section (2), after clause (j), the following clause shall be inserted, namely:—

“(ja) the amounts for the purposes of the proviso to section 28A;

## STATEMENT OF OBJECTS AND REASONS

Under section 25 of the Tea Act, 1953 (29 of 1953), the Central Government is empowered to levy and collect as a cess, a duty of excise on all tea produced in India at the rate of four paise per kilogram. The Central Government is, however, empowered to fix a higher rate of cess not exceeding 8.8 paise per kilogram. The present rate of cess of eight paise per kilogram was made effective from August, 1978. Although, this rate is almost at the maximum rate allowed under the Act, the amount of cess collected has become insufficient to meet the expenditure of the various developmental and other activities of the Tea Board. The gap between the proceeds from the cess and the actual expenditure of the Tea Board is likely to widen further in view of the higher level of expenditure envisaged in the Seventh Plan. The ceiling of 8.8 paise per kilogram, therefore, needs to be revised. It is, accordingly, proposed to amend section 25 of the Act for providing higher ceiling of levy of cess at a rate not exceeding fifty paise per kilogram as the Central Government may, from time to time, fix by notification. It is also proposed to empower the Central Government to fix different rates for different varieties and grades of tea having regard to the geographical, climatic and other circumstances relating to the production of the different varieties and grades of tea.

2. Opportunity is being availed of to include, in pursuance of the recommendations of the Committee on Subordinate Legislation of the Lok Sabha, an express provision in the Act relating to the powers of the Tea Board to write off losses as irrecoverable.

3. The Bill seeks to achieve the aforesaid objects.

NEW DELHI;  
*The 7th April, 1986.*

P. SHIV SHANKER.

## MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 4 of the Bill seeks to insert a new clause (ja) in sub-section (2) of section 49 of the Tea Act, 1953, so as to empower the Central Government to prescribe by rules the procedure to be followed in writing off losses and waiving recoveries under new section 28A.

2. The matters with respect to which the Central Government would make rules under the new clause are matters in respect of which it is not practicable to make express provision in the legislation itself. The delegation of legislative power is thus normal in character.
